WHAT ROTARY SAYS …

- Understand the Purpose, Importance & Methodology of PPH
- Educate the Community, about the harmful and alarming effects of Non Communicable Diseases, through on-going Service Projects
- Promote PPH within your club members, family, friends, relatives, Residential complexes, Communities, Interact, Rotaract Clubs, Educational Institutes, Corporate houses etc.

What does the Mobile App offer ?

- Register (signup) for PPH through a meeting organized by a club and Download the App from Google Play store.
- Enter your personal info., basic health vitals and medical history (if applicable)
- Based upon your parameters receive notifications for evaluating, improvising your overall health and well-being.
- Health Reports are available on the App for download

What does the Mobile App offer ?

- Connect your family members and friends over the App to monitor their wellness and inspire them to do better
- Engage with the App on a continuous basis and visualize graphically your health vitals viz. BMI, BP, Blood Sugar
- Get an Overview of Rotary and enable participants to become your prospective club members
- App users may register for Blood and Organ Donation

And the Add-ons …

- Create your own clubs branding, while you promote this project. Your clubs name and logo appears on the App.
- Exhibit Information and promote your club on the App
- Thereby, enhance your clubs membership and public image
- Use Referral Service to promote PPH and excite Non Rotarians about ROTARY

Engage in Synergy

- Drive the PPH Project within your community, to achieve its intended purpose
- Execute this service projects in an innovative manner
- Identify a club member, to take ownership and administer the project
- Support our Districts Project initiative

Engage in Synergy

- The digital format allows execution of PPH service project/s concurrently, there is no realistic upper limit
- Activity is completely on-line – so works well in the current scenario – no physical interactions really necessary – time and money saving
- Administer and Monitor the progress through your individually accessible Admin Panel

Engage in Synergy

- Enroll with RCP Vibrant East, as a Synergy partner, through our club website www.rcpve.com
- As Synergy partner, pay the applicable charges to RCP Vibrant East, to support your efforts
- We work with you as a technology support partner
- Report your success stories over RI and District website
